## CLIENT TESTIMONIALS

We hired the Folk showrooms as a gallery for two weeks as the venue was perfect. The minimal designed space was ideal for showing our work and location was very central in vibrant area. With high standard facilities and helpful friendly management, it was a joy to hire.”

**Charlie Wheatley, owner/director of Scouting for Art**

“I had a great experience at Macandi. The atmosphere and interior gives a really professional impression for customers/buyers. All the people in the business know about Macandi which makes my job easier and more trustful when selling from a market like UK. As it is my second time selling from the showroom it almost feels like home,  
I can definitely recommend it to others.”

**Freddie Larsson, Export Manager, Filippa K**

“Nice showroom, even nicer people – what more could you ask for?”

**Keiron Hurley, owner, Red Dot clothing.**
